APR] 2016 Cert Petition FINAL AS PRINTED 2 2 2017 (2).pdf

John:

I write to let you know about (and attach) our pending cert petition in this case involving the States' voter-list maintenance. The Department of Justice filed a brief against our position in the Sixth Circuit. That said, I do not believe that the Department's position in that brief is consistent with the Department's position immediately after the Help America Vote Act of 2002 (for example, the Department had previously entered into a settlement with Philadelphia that *required* what the Department said was *prohibited* in the Sixth Circuit.) I'd be interested in speaking with you about the case at your convenience. Any response (and amici) are due March 10.

I hope you are well,

Best,

Eric

Great, John. I hope the transition to public service is going smoothly.

Here are the relevant Sixth Circuit briefs. The DOJ brief (Doc 29) has an Addendum that attaches most of the relevant cases and settlements from its prior cases dating back before HAVA to the NVRA.
